Sorry Chantal, I didn't read your email very well. Yes you can use the D3600 for the cable tie mount.

Harvey,  
Will you be changing the p/n: in the IIN-D350-794 for part # 444-2556(7101SYZQE) and also could you have a look at the attach. for p/n:D3600 to see if that would work instead of TBA28B.  
Thanks  
Chantal

Good Morning Chantal

Not sure about the cable tie fasteners. They are just a little square piece of white plastic that has some double sided tape to stick them to the tank. They is a slot for a cable tie on the top side so that a cable tie can attach to them. Whoever we buy cable ties from should have something like that.

Yes the 7101SYZQE switch is ok as a replacement for the 444-2556.

Regards,
